

OBSERVATION WORKSHEET

See what you can find. You've been given a picture of one of the rooms in the Chateau de Mores. Look at it carefully. Observe the details. Then try to answer the questions below.

NAME OF ROOM: _____

1. What do you think people did in this room?
2. What smells and sounds can you imagine in this room?
3. What is the feel of the room? Is it fancy, fun, cold, bright, dark, big, crowded, comfortable?

Gathering Details: Pick 5 objects you see in the picture and fill in the chart below.

List: 5 objects you see in the picture	Color: What color(s) is the object?	Texture: What do you think the object feels like?	Location: Where is the object in the room? What is it near?	Compare: Does it remind you of anything? This object looks like a _____
A.				
B.				
C.				
D.				
E.				

Observation Exercise Practice

Each group will choose one object in the room without telling the others what it is. Decide what words you will use to describe your object when asked questions by the rest of the class. Use words that paint a picture in the mind. Instead of saying something is “blue” ... say “as blue as a summer sky”

Example:

Question: What color is the object?	Question: What do you think the object feels like?	Question: Where is it in the room (what is it near?)	Question: Does it remind you of anything - this object looks like a _____	Question: What sounds or smells does it make you think of?
Answer:	Answer:	Answer:	Answer:	Answer:
