

Unit 3 Document Set 1: Winter Counts

High Dog Winter Count Activity 2. Historical Corroboration Chart

Historians need to corroborate past events by checking other sources. Using the example as a model, list in this chart some events or people you noted in the High Dog's winter count. Look in encyclopedias, histories of the Sioux/Lakota, or other regional histories, or the internet for more information on the event or person listed.

Event/Person	Date(s)	Corroboration source	Notes
Aaron Beede	1859 - 1934	UND Library website: und.nodak.edu/dept/library/Collections/og206.html	Beede learned the Sioux language at 15
